NEW: Jennerhex toboggan run

Exit mountain station | 1.4 km | 220 hm

15% gradient and natural snow. These are the facts about our perfectly groomed and secured toboggan run, which is now located not far from the mountain station (1,800 m) towards the Mitterkaser valley station. Ideal for experienced, who can repeat the fun as often and as comfortably as they like. Thanks to the chairlift with toboggan hooks.

Toboggan slope

Exit middle station

Are you a beginner? Or out and about with children? Then off to the middle station to our flatter toboggan slope, where sledging can be practiced wonderfully. Yay!

NEW: Snowshoe trail

Exit mountain station | 2 km | 200 hm

Directly from the mountain station you can follow our newly signposted snowshoe trail to the summit of the "Vorderer Pfaffenkegel" a magnificent vantage point that lets you knock on the door of the national park. Here you will experience a little adventure with magnificent views and pure nature, which doesn't need for long planning.

Snowshoeing teaching trail

Exit middle station

All those who simply want to try out walking with snowshoes can now find a short beginners' circuit at the middle station. Here you can familiarize yourself with the equipment and this gentle way of getting around. And who knows, maybe you'll end up to the mountain station after all.

WINTER HIKING

NEW: Winter hiking trail

Exit middle station | 2 km | 1 h

The new winter hiking trail leads around the reservoir, which we prepare for you in good snow conditions. At an altitude of 1,200 m, you can enjoy the easy exercise as well as a wonderful view from the Watzmann to the Untersberg. And the best thing? Afterwards you can really indulge yourself in the Halbzeit restaurant.
